

PULL-UP BANNER TEMPLATE

Scale Ratio: 1:10

Blue line: This is where the banner is connected to the stand make sure you don't put any important information or text in side.

Pink line: This is the final size of the Pull-Up Banner, the pink line is where the Pull-Up Banner gets trimmed

Purple line: Any images text or background colors that are going to the edge of the page need to run on the page by 3mm on the side and 100mm at the bottom so make them extend to this purple line.

Final Art work is best saved as a PDF
No crop marks are required!
